SEE WHAT OUR DELEGATES SAID ABOUT THE AVCJ FORUM LAST YEAR:

"I think the turnout and the number of in-person participants are unparalleled. There's nothing that can replace human to human interaction and that's why it's important that AVCJ continue to hold these events going forward... It really helps to foster the private equity community across the region."

Lydia Hao, Managing Director, HarbourVest Partners (Asia)

"What's happening around the world has a big impact on how we form our investment strategies. Networking at the AVCJ Forum gives us the opportunity to meet the larger investor community from across the globe."

T.J. Kono, Partner, Unison Capital
